

NOAH HUSAIN

PROFESSIONAL SUMMARY

Noah Husain is a skilled associate software developer whose strong work ethic, attention to detail, and adaptability makes him a valuable addition to any project. He is a graduate of Nashville Software School as well as a graduate of the FastTrack Java Developer program. Noah has displayed skills in developing, deploying, troubleshooting, and maintaining Java applications. He has achieved a productive level of knowledge and skill in numerous Java frameworks such as Spring Framework and Spring MVC, Hibernate, JDBC, and Angular. Noah brings a positive outlook and a knack for problem solving to any team of which he is a member.

(PLACEHOLDER ^)

(Should I talk about other languages I am proficient in from previous bootcamps?

Python, Django)

Environment

Children's Choice Pediatric Dental Care - Sacramento, CA

08/19 – 02/20

Front Office Lead

- Audited patient charts prior and after patient appointments to verify correct input of dental codes and charges.
- Managed front and back office staff of the dental clinic to provide solutions to any problems that arose.
- Monitored new patient numbers and strategized with marketing to boost referral rates
- Trained new staff on front office duties and Standard Operating Procedures to ensure smooth onboarding as well as HIPAA and OSHA compliance.

Children's Choice Pediatric Dental Care - Sacramento, CA

08/19 – 02/20

Marketing Assistant

- Developed and generated marketing reports, sponsorships, marketing events, and customer relations.
- Analyzed marketing reports by preparing full statistical analysis reports on new patient numbers via referral from all sources to target which offices needed more marketing.
- Created and implemented different marketing campaigns to boost our new patient numbers across all offices.
- Performed informational oral health care demonstrations to schools within the communities around the offices to boost community optics of our company.
